# Care instructions Conditions d'entretien

## COTON DAMASSE

- Faire tremper avant le premier lavage.
- Laver à 60° C en machine.
- Repasser légèrement humide avec un fer très chaud.
- Les tissus rétrécissent toujours de 5 à 7 % et prennent leur couleur définitive après quelques lavages.

## COTTON DAMASK

- Soak before the first wash.
- Machine wash at 60° C.
- Iron while still damp with a hot iron.
- The fabric will shrink by between 5% to 7% in the first wash. The definitive colour of the fabric will set after several washes.
